Continuing basic health measures

This is a reminder that we are continuing basic health measures of washing hands, ventilating classrooms and staying home if anyone in the school community is unwell. These have always been great measures to keep ourselves and our community healthy and they need to be part of our normal everyday practices.

SPCA

The SPCA needs old towels, quilts, sheets and duvet covers. If you have any of these items and wish to donate them to the SPCA please drop off to school before Wednesday 2nd November.
